

Viviana Davila

Aspiring Front-End Web Developer

vdavila@ucsd.edu | (559) 334-8567 | <https://github.com/vividavila98> |

<https://www.codecademy.com/profiles/vdavila98>

Summary of Qualifications

- Proficient in front-end web development, including designing, developing, and maintaining websites and web applications
 - Experienced working independently or in a team
-

Languages

- HTML5
- CSS3
- JavaScript

CMS

- Google Sites
- Wix

Frameworks & Libraries

- ReactJS
- Bootstrap
- Reactstrap

Tools

- Git/Github
 - Npm
 - Visual Studio Code
-

Development Experience

Front-End Development Intern | Juristerra | June '19 - September '19

- Assisted the development team in maintaining two platforms: Medpius.com and Juristerra.net
- Converted the Medpius platform from HTML/CSS to ReactJs/ReactStrap/CSS
- Helped refactor Juristerra's code to improve readability and to make it easier to modify

Web Developer | Cognitive Science Student Association | June '19 - Present

- Redesigned and redeveloped the org CSSA's website independently using HTML/CSS/Bootstrap
- Focused on making the website minimal, friendly, and informative

Community Service Experience

Team Member | Design for America (Housing Insecurity) | September '18 - June '19

- Used the design process in a team in order to find a solution for housing insecurity among UCSD students
- Conducted focus groups, prepared data to present to the Basic Needs board, and created a video highlighting housing insecure students on campus

Mentor | Ocean Discovery Institute | March '18 - June '19

- Guided a high school student from a predominantly low-income area through her senior year
 - Helped her apply for universities, FAFSA, scholarships, and pre-law programs
-

Education

- University of California, San Diego 2020 | Cognitive Science - Design and Interaction
