National Cognitive Science Conference 2020

Join us for a packed day of engaging speakers, cutting edge presentations, interactive workshops, invaluable networking, and free food!

Our event this past year was a huge success and we are very excited for our 14th Annual Conference in 2020.

Matrix-Style Skill Transfer is Possible with Electric Brain Stimulation

A company by the name of HRL Laboratories was successful in its attempts to use Transcranial Direct Current Stimulation (TCDS) to "transfer" knowledge from expert pilots to beginners.
